## Objectives:

As a 3rd-year student at TSU seeking an opportunity for an On-the-Job Training (OJT) position, my goal is to apply and expand my web development skills in a professional environment. I am passionate about web development and eager to gain practical experience in creating innovative and user-friendly websites. With a strong foundation in programming languages and a drive for continuous learning, I aim to contribute to a dynamic team, enhance my technical abilities, and contribute to the success of web development projects. I am excited to leverage my education and enthusiasm to contribute to the growth and success of a web development company during my OJT.
